Your **Google** Street View tour comes with the following:

- An interactive, 360° virtual tour of your business using Google Street View technology to allow customers to walk into, though, look around and zoom in.
- Your virtual tour will be added to your Google+ page and enhance Google search results, Google maps and Google street view. The tour can also be embedded on your own website and Facebook page.
- 10-15 professionally shot and edited POI (Point of interest images) business related photos.
- Licence allowing you to use your POI images as you wish i.e. embed them on your website, use for marketing or printed literature etc.**

***Prices are valid up to and including the date of our annual rates review; scheduled for the 5th of April each year. On the next review date, the price(s) quoted will need to be updated to be valid. There may be an additional charge for mileage.**

**** Excluding resale and use for broadcast, television and/or billboard advertising. Please contact us for licensing rates.**
